# Weekly Report for Week Ending April 24th (Report 13)

#### **John Deere**

Jordan Meidinger Jayden Rosenau Anna Carlson Wyly Andrews

## **Status Summary**

Progress

## **Top Highlights**

Fixed table format

# **Top Lowlights**

• More working from home

### **Activities, Accomplishments, and Project Effort**

| Member                                  | Activity           | Description                      | Status      | Effort   |  |  |
|---|--------------------|----------------------------------|-------------|----------|--|--|
| Jordan                                  | Writing            | added items on Read.me           | Complete    | 1 hrs    |  |  |
| Jayden                                  | Writing            | Finished project specs           | Complete    | 1 hrs    |  |  |
| Anna                                    | Editing            | Working on videos                | In Progress | 4 hrs    |  |  |
| Wyly                                    | Plotly Charts, Git | Fixed Open Defects/Review Tables | Complete    | 3:15 hrs |  |  |
| Team Weekly Meeting Team Weekly Meeting |                    | Team Weekly Meeting              | Complete    | 1 hr     |  |  |
|   |                    |                                  |             |          |  |  |

List any activities undertaken by members of the project team in the last week in the table above. These can include things done as a group, but should be broken down for each individual team member.

Effort should be estimated in terms of hours of time taken (e.g., 1.5 hours, 3 hours, .5 hours, etc.)

### **Tasks for Next Week**

| Member | Task          | Description                             |
|--------|---------------|---|
| Jordan | Writing       | Added items to Read.me                  |
| Jayden | Coding        | Adding more comments to code            |
| Anna   | Video Editing | More video work                         |
| Wyly   | Plotly Charts | Add final graphs to project detail page |
|        |               |   |

List any assigned tasks for each team member for the next week. Every team member should have at least one individual assigned task, but you may also list items that are collectively assigned to the entire group (such as team meetings).

For the next weekly report, you can copy these items into the activities, accomplishments, and project effort table above and add status updates and information for expended effort.

### **Risks**

| ID# | <u>Status</u>             | Risk  | Owner | Probability/    | <u>Impact</u>  | <u>Trigger</u>   | Recommendation / Resolution   |
|-----|---------------------------|---|-------|-----------------|--|--|---|
|     |                           |   |       | <u>Priority</u> | •  |  |   |
| 1   | <del>Open</del><br>Closed | Mis - communication with sponsors about project tasks                                 | Team  | 20%             | Loss of time, work put towards the wrong direction                       | Requirements not established and agreed upon between team and sponsors before February 14  | Be open about our view of the project<br>statement with our sponsor, and make<br>sure that any confusion is cleared up<br>immediately |
| 2   | Open                      | Properly<br>distributing tasks<br>amongst<br>teammates                                | Team  | 10%             | Team stress,<br>mis-allocation of<br>time                                | Project workload not discussed properly before sprint/week (ongoing)                       | Make sure we discuss a work/ plan so the project can be completed on time   |
| 3   | <del>Open</del><br>Closed | Quarantine communication makes tasks more difficult, and presentations more difficult | Team  | 30%             | Team stress,<br>customer<br>unsatisfied with<br>direction we're<br>going | Quarantine plan not<br>established and<br>working after the first<br>two weeks (April 3rd) | Review specifically the challenges of working at home from the quarantine and how it's affecting the team's efficiency                |
|     |                           |   |       |                 |  |  |   |

#### Issues

| ID# | RID# | <u>Status</u> | <u>Issue</u> | Owner | Due Date | <u>Impact</u> | Recommendation / Resolution |
|-----|------|---------------|--------------|-------|----------|---------------|-----------------------------|
|     |      |               |              |       |          |               |                             |
|     |      |               |              |       |          |               |                             |
|     |      |               |              |       |          |               |                             |
|     |      |               |              |       |          |               |                             |

Risks and Issues tables should be maintained across multiple documents.

 $Do \ not \ remove \ issues \ or \ risks \ from \ the \ tables \ once \ added, \ but \ make \ modifications \ to \ the \ status \ as \ necessary.$ 

Use strikethrough text to indicate previous status that is no longer applicable for a given risk.

| Relationships with support groups have no identifiable issues | ОК   |      |      |

Update the Project Success Tracking table for each new weekly report.

Use **OK** to indicate that the project is track according to that criteria. If there is an issue, indicate it with a number and leave a corresponding note in the section below.
